OnlineDateShare.com

- Online dating can be *VERY* dangerous for those participating!
- Online Daters need to protect their emotional, mental, physical and financial health/well-being!
- Scammers, fraudsters, abusers and cons target online daters' vulnerability of desiring new companionship. In some cases their loneliness and desire for acceptance. They also know, by default, that their target is "*alone.*"
- Online Daters need to protect themselves and their loved ones by approaching potential partners with great scrutiny.

We are here to help!!

Membership with our service includes multiple tools and resources to help Online Daters navigate their online dating journey. We have made this a "one-stop shop" to help them make their online dating experience more enjoyable.

They will be able to:

- Submit their experiences with specific Online Dating users into our databases. (whether they have met them in person, or not)
- Search our database(s) for specific Online Dating users to see what others have had to share.
- Access and participate in our BLOG dedicated to online dating tips, ideas, thoughts, etc.
- Access news articles related to online dating.
- Access to internet writings related to online dating.
- Access to a "For Fun" page with related links and even some quick yummy recipes.

We want to get the word out about our service to help Online Daters.

We want to expose the predators that prey on Online Daters, while sharing the positives of the lovely *legitimate* Online Daters simply looking for companionship!

We are reaching out to those with the same mission, in their community.

If you would like to know more, or have questions, about how we came to be or the services we offer... please send an email, directly, to:
